SABIS® Celebrates the 137th Anniversary

Happy Founders Day!

On the 16th of October 1886, the vision of Rev. Tanios Saad and Ms. Louisa Procter came to life when they started a school that offers education to girls in a time when educating females was forbidden.

Fast forward 137 years, that vision has been transformed into a powerful global chain of schools that offers world class education to more than 70,000 students worldwide.

The Wellness and Social Responsibility Departments Mark the Breast Cancer Awareness Month with an Informative Session.

On the 20th of October 2022, prefects from the Wellness and Social Responsibility departments of the Student Life Organization held an awareness session on Breast Cancer for students and staff members.

Both staff members and students valued the session and appreciated the useful information that was given to them by the prefects. [Click here](#) for more on this event.

The Activities and Outreach Departments celebrate World Teachers' Day.

SIS Ruwais celebrated Teachers' World Day on the 5th of October 2022. The SLO prefects did a wonderful job thanking all the teachers and adding joy to their special day.

We would like to extend our gratitude to all our teachers who give their all to deliver world class education to their students.

You can view more photos of the event by [clicking](#)

Pre-KG and KG1 Students make their own Pizza!

Our little chefs enjoyed the experience of making their own pizzas on the 15th of October. You can view more photos by visiting our official [Facebook Page](#).

Pre-KG and KG1 students visit Al Dhanna Farm

The infant students had big smiles on their faces when they interacted with different farm animals. They ended their wonderful visit with a snack and play time out in the open air.

Infants' Play Time is Always Fun Time at SIS-Ruwais

From the puppet shows to storytelling and dance time, prefects of the SLO Lower School Department make sure they keep our younger students involved, entertained and active on daily basis.

SABIS® Tournaments are BACK!

Our sports teams have been practicing and competing like champions in the different SABIS® tournaments that take place on weekly basis.

Our teams latest achievements are:

- U14 Boys Football 1st place
- Boys Senior Basketball 2nd place
- Girls Senior Basketball 3rd place

We are proud of all our sports teams and look forward to witnessing them excel more and more.

Club in the Spotlight

E-Chess Club

The E-Chess club gives students the opportunity to combine modern technology with the classic chess planning skills.

Our Grades 7 and 8 students enjoy their time every Thursday afternoon with an E-Chess session that is charged with a competitive spirit and a winning mindset.

When?

Every Thursday from 3:30 PM until 4:15 PM

Where?

Grade 8 Corridor

An Energetic Crowd at the Gr. 12 Vs. Gr. 11 Volleyball Game

An evening full of fun and cheers ended with the Grade 12 team winning the friendly match

ACADEMIC INSIGHTS

Science Meets Entertainment with LEMA Science Shows

Our Grades 7 and 8 students were excited to attend the LEMA science shows which were held at our school campus in week 7. Lema (which is the Arabic equivalent of Why?) is an educational program offered by ADEK (Abu Dhabi Department of Education and Knowledge) which offers entertaining & interactive classroom workshops to inspire future leaders and strengthen their capabilities in science, technology, engineering and mathematics.

SIS-Ruwais Seniors Visit Al Najah University Exhibition

Al Najah University Exhibition is a yearly event that brings together university representatives from a large number of local and international universities to give students the chance to meet one-on-one with representatives and inquire about the different programs they have to offer.

Our grade 12 students had a pleasant experience visiting Al Najah University Exhibition in Abu Dhabi and came back charged with enthusiasm to start university life. You can watch a video of the highlights of this even by clicking on the video below.
